

Frank Bartlett Memorial Scholarship

The Frank Bartlett Memorial Scholarship is presented in Mr. Bartlett's honor by his family. He was an educator in the Abernathy school system for 25 years from 1959- 1984 and served as a math and science teacher and as principal of Abernathy Junior High. Thirty-one years of his life were devoted to serving our youth through education.

Some qualities that were important to Mr. Bartlett were hard work, honesty, and dependability. As his family, we would like to present the scholarship to a student who exemplifies these qualities.

This year's scholarship amount will be \$1000 and will be presented to the recipient in two separate checks for the 2009 fall and 2010 spring semesters. The spring semester check will be distributed, if the fall semester grades are a minimal 2.5 GPA. If the GPA is less than 2.5, the recipient will forfeit the right to the spring check.
